

Declaration of conformity

(As of July 2026)

VO (EG) No. 1907/2006 (REACH-regulation)

In terms of the abovementioned regulation SCHMIDT-KUPPLUNG GmbH is a so-called downstream-user of small quantities.

Based on supplier's information to SCHMIDT-KUPPLUNG GmbH at the time of printing - our products do not contain any substances that are named in the REACH 253 SVHC candidate list of the ECHA with a mass fraction of more than 0.1%.

There is no registration requirement according to section 7 of the abovementioned regulation.

Directive RoHS 3 (EU 2015/863)

SCHMIDT-KUPPLUNG GmbH does not produce, supply or distribute any products that fall within the scope of the abovementioned directive according to its section 2 „Scope“.

Conflict raw material (tantalum, tin, wolfram, gold)

SCHMIDT-KUPPLUNG GmbH as a so-called downstream-user does not use any of the abovementioned minerals that originate from questionable sources according to OECD/UN DD (Organization for Economic Cooperation and Development/ United Nation/ Due Diligence Guidance) in quantities > 0.1% (mass fraction) in our products.

EMAS=environmental management ISO 14001

SCHMIDT-KUPPLUNG GmbH does not take part in so-called voluntary environmental management according to ISO 14001.

Our company policy focuses on environmental standards that lead to responsible dealings with substances that are hazardous to the environment within our company itself.

Machinery Directive 2006/42/EG 2nd edition

SCHMIDT-KUPPLUNG GmbH produces, supplies and distributes products that do not fall within the scope of the abovementioned directive according to its section 1. Our products are categorized as separate machine components in the sense of section 1 § 35. Therefore they are not subject to so-called "CE" marking.

In general

SCHMIDT-KUPPLUNG GmbH adheres to legal regulations that are in effect on-site of the location of our business at the time of this writing.

DIN EN ISO 9001

SCHMIDT-KUPPLUNG GmbH is not certified according to DIN EN ISO 9001.
