Non-Dual Use Statement

Definition

Control of exports, brokering and transit of Dual-Use items.

According to the following regulations:

Council Regulation (EU) 2021/821 dated 9th of September 2021

Confirmation

We confirm for all our products no export licenses or export permissions for Dual-Use items are required.

The goods are not listed on the following export lists:

Appendix I + II of the Regulation according EU Dual-Use-Regulation 2021/821.
